Your web app is running and waiting for your content

Your web app is live, but we don't have your content yet. If you've already deployed, it could take up to 5 minutes for your content to show up, so come back soon.

Haven't deployed yet?
Use the deployment center to publish code or set up continuous deployment.

Deployment center

Starting a new web site?
Follow our Quickstart guide to get a web app ready quickly.

You haven't added any deployment slots. Click here to get started.

Deployment Slots

Deployment slots are live apps with their own hostnames. App content and configurations elements can be swapped between two deployment slots, including the production slot.

| NAME | STATUS | APP SERVICE PLAN | TRAFFIC % |
|---------------|-------------------|------------------|-----------|
| python-flaskk | PRODUCTIONRunning | east-us-sp | 100 |
